

## Maritime

Navigate with confidence.

### Overview

Markets around the world recognize us as one of the most experienced and dedicated brokers of marine insurance in the United States. We bring years of knowledge and expertise to help you identify your exposures, develop strategies for each risk, and keep you in compliance.

We dig deep to understand the rewards you want, such as reliable business continuity and a strong brand reputation, and help you manage risks to achieve efficiency, safety, and growth.

## ABD Advantage

### Custom Strategy

As your active advocate, we represent your interests at every step, serving as your liaison with insurers as we partner with you to establish effective notice and reporting protocols that best meet your needs.

### Hands-on Approach

We come aboard your vessels to gain an understanding of your operation, so we can identify and analyze your loss exposures and proactively manage your risk.

### Deep Relationships

With an established history with insurance carriers, we design an insurance program for underwriting by seeking to answer questions that may arise and protect the investment you have made to reduce the risk of loss, injury, or damage to property.

### Full-Service Claim Management

Our claims handling is proactive and methodical. Our claim professionals, credentialed by the Average Adjusters Association of the US and Canada, leverage deep relationships and experience with insurers to manage the complexities of the claim process for each maritime client.
